

Prospectus 2016

Little Fellowship is a church based independent dual medium nursery school in the secure and safe environment of the Fellowship Church of Melkbosstrand. The school falls under the vision and auspices of the church.

The specific vision of the school is to educate, grow and nurture children to fulfill their God given purpose in the Kingdom of God.

learners

it is an inclusive school, with a ratio of 80% mainstream learners and 20% special needs Downs Syndrome learners. All Downs Syndrome children will be assessed to establish whether or not the school can accommodate their individual needs by an approved occupational therapist.

curriculum

is designed to teach the children in an integrated approach meeting the needs of all the children in a differentiated class environment.

program

will incorporate all the different learning styles needed for the varying needs of the children. The special needs learners will have their additional needs catered for within the framework of their age group.

learning

play is the cornerstone of the pre-primary class. The school's aim is to incorporate play and structured activities based on the Western Cape Education Department Curriculum. The integrated approach facilitates all areas of learning around a weekly theme incorporating literacy, numeracy and life skills which include gross motor activities, drama, creative work and music.

All learning will incorporate a Christian worldview and foster a love for and dedication to Jesus through the use of Bible stories, rhymes and songs.

$$1 + 1 = 2$$

we seek to foster and develop

personal, social and environmental well being;

positive attitude towards learning;

social skills;

attention skills and persistence;

language, literacy and communication;

problem solving, reasoning and numeracy;

physical development;

creative development;

knowledge and insight of the world around them;

spiritual growth and love of God.

assessments

will be done on all the children on a regular basis to

ensure that they are developing and progressing to reach the necessary milestones.

communication

will be ongoing with the parents to ensure success in every area of learning and to incorporate the parents in the growth and development of their child.

general

the school will follow the Western Cape Education

Department terms, times and holidays to align with other schools in the area. There will be no aftercare facility.

The children will be required to bring their own snack.

The policy of the school will encourage a healthy snack with no fizzy drinks, sweets or chips allowed.

classes & teachers

the school will have three classes, grade 000 (age 3-4),

grade 00 (age 4-5), and grade R (age 5-6) with the

maximum of fifteen learners per class. Each class will be

taught by a qualified teacher and assistant who will work

flexibly between the classes as needed. Depending on the

specific needs of the special needs learners, additional staff will be allocated.

specialised therapies

will be available to learners that require it. Therapies

will be offered at the school, during school hours, at an

additional cost to parents.
